

5<sup>th</sup> International School and Conference  
on Optoelectronics, Photonics, Engineering and Nanostructures

# «Saint Petersburg OPEN 2018»

Saint Petersburg, April 2 – 5, 2018

Dear Colleagues,

We kindly invite all the undergraduate, graduate and PhD students to attend *International School and Conference “Saint Petersburg OPEN 2018”* which is chaired by Nobel Prize laureate in Physics (2000) academician **Zhores I. Alferov**. The Conference will be hosted by *St Petersburg Academic University RAS*. All accepted proceedings will be published in Conference Theses Book free of charge. Extended version can be published in **IOP Journal of Physics: Conference Series** cited in *Web of Knowledge, Scopus, eLIBRARY* and other scientific databases.

Keynote speakers:

**Maurice Skolnick** (*University of Sheffield, UK*)

**Stefan Breuer** (*Technische Universität Darmstadt, Germany*)

**Huiyun Liu** (*University College London, UK*)

**Manfred Bayer** (*Technische Universität Dortmund, Germany*)

**Andrey Akimov** (*University of Nottingham, UK*)

**Victor Chaly** (*JSC “Svetlana Growth”, Russia*)

**Artur Dideikin** (*Ioffe Institute, Russia*)

**Pavel Belov** (*ITMO University, Russia*)

**Alexey Skvortsov** (*Peter the Great St.Petersburg Polytechnic University, Russia*)

Important dates:

Plenary and poster sessions: April 2 – 5, 2018

<http://spbopen.spbau.com/>

The conference carries on the tradition of annual conferences at *St Petersburg Academic University* will be sponsored this year by *St Petersburg Academic University, Peter the Great St. Petersburg Polytechnic University, Russian Foundation for Basic Research and the International Society for Optics and Photonics (SPIE)*.
